

Name: _____

Date: _____ Core: _____

Cells

Organelle Structure and Function

Directions: Fill in the chart below by interacting with the information found on http://www.cellsalive.com/cells/cell_model.htm.

Cell Part	Structure (What does it look like? How do you recognize it?)	Function (What is its job?)
Nucleus		
Cell membrane		
Cell wall		
Mitochondria		
Vacuole		
Cytoplasm		
Chloroplasts		
Endoplasmic Reticulum		

Name: _____

Date: _____ Core: _____

Golgi Body		
Lysosome		
Nucleolus		
Ribosome		

Define the following in your own words:

Cell: _____

Organelle: _____
