Cell Organelle Simile

1. Choose a topic (maybe a sport, location, etc. – something you might know well…ex. school, football, a favorite TV show):

2. Fill out the chart below with the organelle and the part of your topic that fits the role of the organelle.

Cell Organelle	**What is a simile between something in your topic and the organelle? (ex. the principal is like the nucleus)**	**Why? How do they relate?**
