

Interactive Notebook

Left-sided Possibilities

Questions to ask...

- How/why?
- What if?
- Purpose?
- What is big picture?
- What might happen next?
- What questions does this raise for me?
- What information is important?
- How can you remember this info?
- How can you organize this info?
- How does this relate (to something already learned)?
- What is your opinion?
- How would you improve this/change this?
- What more do I need to know?
- What is the most interesting?
- What do you still wonder about?
- The worst case scenario is?
- What is key idea?
- What does this remind you of?
